Information can be found on the Cypress School District website at [www.cypsd.k12.ca.us](http://www.cypsd.k12.ca.us).

Cypress is also enrolling **Interdistrict transfer students** in an ongoing process. If you have friends who work in the City of Cypress who would like to enroll their children in the high achieving Cypress School District, please let them know that they may be eligible to enroll their children for next year. Under Education Code 48204(b), the “Allen Bill,” parents may use their employer’s address to establish residency in a school district. We would be happy to facilitate the interdistrict transfer process to enroll these children in our schools. Check our website at [www.cypsd.k12.ca.us](http://www.cypsd.k12.ca.us) for more information.

Finally, Cypress School District also offers **preschool and childcare programs on site at each of our schools**, as well as an infant and toddler childcare program at our former Damron School site. Please visit our website at [www.cypsd.k12.ca.us](http://www.cypsd.k12.ca.us) and select “Parents” at the top and then “On-Site Childcare” for a list of the names, phone numbers, and websites, by school.
