

CYPRESS SCHOOL DISTRICT
Student Registration for the 2012/13 School Year!
Kindergarten
and
Preppie Kindergarten

2012/13
Kindergarten Registration

Registration begins at school sites on **Friday,**
February 17, 2012

Kindergarten

- ☀ Must turn five by November 1, 2012
- ☀ Provide proof of birth date
- ☀ Provide immunization records
- ☀ Proof of physical and oral health exams

Preppie Kindergarten

- ☀ Must meet all criteria for kindergarten

Preppie kindergarten provides an academic option for those students eligible to be enrolled in kindergarten because they turn age five by November 1, but whose parents believe their child is not ready socially or academically for a traditional kindergarten program. The program will be offered at Luther School only, for the 2012/13 school year.

Additional information regarding Kindergarten registration can be found on the Cypress School District website at www.cypsd.k12.ca.us.

Interdistrict Transfers

Cypress is also enrolling **Interdistrict transfer students** in an ongoing process. If you have friends who work in the City of Cypress who would like to enroll their children in the high achieving Cypress School District, please let them know that they may be eligible to enroll their children for next year. Under Education Code 48204(b), the “Allen Bill,” parents may use their employer’s address to establish residency in a school district. We would be happy to facilitate the interdistrict transfer process to enroll these children in our schools. Check our website at www.cypsd.k12.ca.us for more information.

Preschool and Childcare

Finally, Cypress School District also offers **preschool and childcare programs on site at each of our schools**, as well as an infant and toddler childcare program at our former Cawthon School site. Please visit our website at www.cypsd.k12.ca.us and select “Parents” at the top and then “On-Site Childcare” for a list of the names, phone numbers, and websites, by school.

If you have any questions, please contact the Educational Services office at 714-220-6940. Thank you!
